

1st SADC INDUSTRIAL ENERGY EFFICIENCY CONFERENCE

Stimulating Industrial
Competitiveness through
Energy Efficiency and Innovation
in the SADC Region

16-17 MAY 2019
WINDHOEK, NAMIBIA

MAY 2019

16

REGISTRATION

Registration of participants

🕒 08:30 - 09:00

OPENING CEREMONY

Opening address
Minister of MME, Namibia

🕒 09:00 - 09:30

SETTING THE SCENE

- The SADC industrialisation roadmap
- Why industrial energy efficiency?
- Experience from Europe
- The SADC Industrial Energy Efficiency Programme

🕒 10:15 - 11:30

SESSION 1: ENABLING POLICIES AND REGULATIONS FOR INDUSTRY

- Enabling policies and regulations for industry - key success factors and best practice designs
- Energy management systems for industry

🕒 11:30 - 12:30

SESSION 2: ENERGY EFFICIENCY BEST PRACTICES AND INNOVATION

- Smart manufacturing in the 4th industrial revolution
- Value chains and opportunities for manufacturing and processing at regional level for smart job creation

🕒 14:00 - 15:00

SESSION 3: RENEWABLE ENERGY APPLICATIONS IN INDUSTRY

- Opportunities and potential for renewable energy applications in industry
- Solar thermal applications for heating and cooling in industry
- Biomass / Biogas and other technologies applications for heating and cooling in industry

🕒 15:00 - 15:45

SESSION 4: FINANCING ENERGY EFFICIENCY IN INDUSTRY

- Roundtable discussion on financing opportunities for industrial energy efficiency

🕒 16:00 - 17:00

CLOSING OF DAY 1

- Summary and recommendations

🕒 17:00 - 17:30

EVENING RECEPTION

🕒 19:00

1ST SADC INDUSTRIAL ENERGY EFFICIENCY CONFERENCE

Stimulating Industrial
Competitiveness through
Energy Efficiency and Innovation
in the SADC Region

16-17 MAY 2019
WINDHOEK, NAMIBIA

MAY 2019

17

SESSION 5: PARTNERSHIP

- Energy efficient lighting applications for industry
- Setting national and regional industrial energy efficiency targets

🕒 08:30 - 10:00

ROUNDTABLE ON MAINSTREAMING CLEANTECH AND YOUTH

- Approaches to promoting cleantech innovation amongst youth
- Current opportunities and challenges for cleantech innovation

🕒 11:00 - 12:00

B2B MEETINGS

- Bilateral meetings are organised for participants.
- Timetable will be set prior to the conference

🕒 08:30 - 12:30

CLOSURE

- Conference summary and recommendations
- Closing remarks

🕒 12:30 - 13:00

SITE VISITS TO NAMIBIAN INDUSTRIES

- Namib Breweries (to be confirmed)
- City of Windhoek, Water Works (to be confirmed)

🕒 14:00 - 17:00 (tbc)
